

Here at Mythical Mountain we want to help cultivate the next generation of comic creators through our Future Comic Creator's Club. A club designed to be a safe space for children and teens to be able to discuss their love of comics, manga, and other fictional media with their peers. With the help of local artists, we hope to aid them in enhancing their skills and knowledge of the craft. Sometimes we even have special guests such as Heroes Alliance join our members so they can meet their favorite heroes!

Please check our FCCC gallery on our main Facebook page to see photos from previous events. Parents, please read the information below carefully as it describes the rules of the club, fee information, and what the fee pertains too. To ensure we have enough seats and comic book covers for everyone, pre-registration is suggested. We can only take the first 14 sign-ups.

Parents, please review our inventory list thoroughly when choosing the comic of your child's choice. Copies are limited, and our available comics range from E for Everyone to T+ for more mature readers. All our available FCCC comics are rated for parent's convenience.

Parents, Mythical Mountain also takes photos of the children and their artwork for marketing and promotional use. If you do not want us to post your child's photo any of our social media outlets, please let us know prior to the event.

Parents, you are required to sign your child in and out at the front counter and fill out the following information:

- Child's Name
- Child's Age
- Comic Title
